

“Thank You”

“Thank You” for expressing an interest in the services provided by our hospitals. We realize that choosing the veterinary practice that will care for your family companion is a very personal and important decision.

We hope that our website has provided you with all of the information about our services, our staff, and our mission. Now, we would love the opportunity to meet you and your family companion in our offices. We would be happy to make arrangements with you to come in and tour our facilities, meet our doctors and our veterinary team members, and examine your pet.

To show our appreciation for choosing our hospital, this letter will entitle you to a 20% discount on your first visit, excluding hospitalized services, pet foods, flea and heartworm prevention products.

Once again, “Thank You” for your time and your consideration in choosing our practice for your veterinary care needs. We look forward to meeting you and your family companion at your first visit.

Sincerely,

*The Doctors and Staff of
Downriver Veterinary Associates, P.C.
dba Lincoln Park Veterinary Hospital
and Downriver Animal Hospital*
